

WHO ARE WE

As a **family-driven business** originating from Jutland, we provide high-quality apartments in Copenhagen, tailored to expats.

With **firsthand experience as expats** in Kuala Lumpur, we understand that employees perform better and adapt faster, when they feel at home and have the right support from day one.

One of us even **live in Carlsberg City**, offering **close support**, **local insights**, and **personalized recommendations** to ensure your employees have a smooth and enjoyable stay while living and working abroad.

WHY CARLSBERG CITY

Carlsberg City, nestled between Frederiksberg, Valby, and Vesterbro, offers a unique blend of urban life, historic architecture, and green spaces. With extensive parks, multiple and diverse dining options, grocery shopping, gym and much more, it's designed for an active and convenient place to live in Copenhagen.

Popular among internationals, this vibrant district is family-friendly, hosting a European school* and offering convenient commuting options. Just 10 minutes by bike from the city center. Residents also enjoy easy access to offices outside Copenhagen, with the train/metro station a short 5-minute walk away from the apartments.
